Hello Brandon,

Thank you for contacting us about the request to test water samples as part of the EPA CERCLA investigation of Gunshy Manor.

Please note that (b) (6) I have knowledge of an old well on adjoining City of Redmond Park property. That well is abandoned which may be of interest.

Please feel free to call me at (b) (6) and leave a message if I do not answer.

Thank you,
(b) (6)
